Both the Company and I are jointly and severally liable for all transactions on the credit card account, which means that I am personally liable for all amounts due Bank on the credit card account. Company and I promise to pay to the order of Bank or any subsequent holder in accordance with the Agreement, at the address listed on the monthly billing statement, the amount advanced pursuant to this application and the Agreement, including all principal, interest, fees, and other charges outstanding. All terms and conditions contained in this application and the Agreement are incorporated therein by reference.

Bank may retain this application whether or not credit is granted. You understand and agree that as a part of the application process for this account, we may obtain information about you and the Company from third parties including but not limited to consumer and business reports and verification of identity, income, assets and other information as needed to process your application and to service the account if your application is approved, including but not limited to file copies of financial statements from any accountant or accounting firm. Balance Transfer Instructions:

If the Company is approved for a credit card account, we may permit the transfer of balances and obligations that Company owes other companies or financial institutions ("Balance Transfers") to its credit card account subject to these terms and conditions, the credit card agreement, and the terms and conditions of any special Balance Transfer offers we make to the Company. The available credit limit will be reduced by the total amount of the Balance Transfer. Any Balance Transfer must be at least \$200; however, we may choose to process a Balance Transfer for less at our discretion. Balance Transfers will post to the Company credit card account and be separately reflected on its monthly account statements as a Balance Transfer. Company may not request Balance Transfers of existing obligations owed to us or our affiliates. Transferred balances must be from a business account. Balance Transfer requests to individuals for cash will not be processed. If Company requests a Balance Transfer that would cause its credit card account to exceed its credit limit, we may, at our option, (a) accept the entire amount of the requested Balance Transfer and assess an overlimit fee; (b) accept only a portion of the amount requested as a Balance Transfer up to the amount available under the credit limit; or (c) refuse to process any amount of the requested Balance Transfer. Recently disputed charges with other creditors should not be included in a Balance Transfer request. By transferring an amount in dispute, certain dispute rights the

Company may have may be forfeited. Allow approximately three weeks from account opening for processing of Balance Transfers. Balance Transfers will not automatically close the account from which the Balance Transfer was made. Company must contact the other creditor to close that account. Cost information about Balance Transfers is provided above in the Summary of Account Terms. Balance Transfers do not earn rewards. There is no grace period for Balance Transfers.

What this means: when Company and you open an account, the Bank will ask for your name, address, date of birth, taxpayer identification number and other information that will allow the Bank to identify you. We may also ask to see your driver's license, organizational documents or other official identifying documents. For some businesses and organizations, the Bank may also need to ask for identifying information and documentation relating to certain individuals associated with the business or organization or the business itself.

Notice to New York Residents: A consumer report may be requested in connection with this application. Upon your request, you will be informed whether or not a consumer report was requested and, if such report was requested, informed of the name and address of the consumer reporting agency that furnished the report. Subsequent consumer reports may be requested or utilized in connection with an update, renewal or extension of the credit for which application was made.

Notice to Ohio Residents: The Ohio laws against discrimination require that all creditors make credit equally available to all credit worthy customers and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio Civil Rights Commission administers compliance with this law.

Notice to Married Wisconsin Residents: No provision of any marital property agreement, unilateral

statement or court decree adversely affects our rights, unless prior to granting you any credit, we are provided a copy of the agreement, statement or decree, or we have actual knowledge of the adverse obligations.
