PNC Erievue Capital Invests in Motion & Flow Control Products

Specialty Distribution

Sponsored by

Subordinated Debt & Equity Co-investment

Growth Financing

PNC Erievue Capital recently completed a growth investment in Motion & Flow Control Products, Inc. (“MFCP” or the “Company”) in partnership with Colville Capital and management to support the Company’s recapitalization and acquisition of Hose & Fittings, Etc. (“HFE”). PNC Erievue Capital provided a subordinated debt and equity co-investment in the transaction.

About Motion & Flow Control Products

Headquartered in Denver, Colorado, MFCP is a leading distributor of fluid connectors and fluid power equipment, and instrumentation fittings, seals, and valves throughout the Western United States. The Company was created in 2011 by the merger of McCoy Sales Corporation and Fluid Connector Products, Inc., and has been backed by Colville Capital since 2006. Including HFE’s footprint, MFCP serves industrial customers through 32 locations in 11 states, including Alaska, California, Colorado, Idaho, Montana, Nevada, North Dakota, Oregon, Utah, Washington and Wyoming. MFCP is Parker Hannifin’s largest full-line distributor in the Western United States and operates ParkerStore locations which supply OEM and MRO customers with direct access to the engineered industrial products and factory-trained personnel.

About PNC Erievue Capital

PNC Erievue Capital is a Cleveland, Ohio-based investment firm that is currently investing out of a \$600 million commitment and managing existing subordinated debt and minority equity investments in approximately 40 platform companies. With a history dating back to 1979, PNC Erievue Capital has completed 245 platform investments, including 215 with middle market private equity sponsors.

PNC Erievue Capital seeks to invest between \$5 million and \$50 million of subordinated debt and/or equity co-investment per transaction to finance leveraged buyouts, recapitalizations, and growth opportunities in a wide range of industries.
