

CLEVELAND – October 19, 2017

PNC ERIEVIEW CAPITAL SUPPORTS INDUSTRIAL LIGHTING PRODUCTS AND GREEN CREATIVE

PNC Erievue Capital recently completed an additional subordinated debt and equity co-investment in Industrial Lighting Products (“ILP”) to support Harbour Group’s transaction with GREEN CREATIVE. PNC Erievue initially invested in ILP in March 2017.

About Industrial Lighting Products

ILP is an innovative manufacturer of energy-efficient luminaires and retrofit solutions with over 14 years of experience supporting builders and retrofitters with green building initiatives. The company has developed a wide range of LED products to support commercial, industrial, and outdoor applications focused on energy and maintenance savings. New products like the UFO parking garage fixture and the LANCE retrofit kits demonstrate ILP’s ability to deliver performance and value with exceptional aesthetics. ILP is headquartered in Sanford, Florida, and has an additional facility in Reno, Nevada.

About GREEN CREATIVE

Since its founding in 2010, GREEN CREATIVE has served the North American commercial lighting market with an industry-leading product offering of LED lamps and LED luminaires. With its headquarters in Silicon Valley, California and R&D center in Shanghai, China, the company’s LED lighting solutions have been widely adopted by some of the largest companies in the world.

About PNC Erievue Capital

PNC Erievue Capital is a Cleveland, Ohio-based investment firm that is currently investing out of a \$600 million commitment and managing existing subordinated debt and minority equity investments in approximately 35 platform companies. With a history dating back to 1979, PNC Erievue Capital has completed 227 platform investments, including 197 with middle market private equity sponsors.

PNC Erievue Capital seeks to invest between \$5 million and \$40 million of subordinated debt and/or equity co-investment per transaction to finance leveraged buyouts, recapitalizations, and growth opportunities in a wide range of industries.
