PNC ERIEVIEW CAPITAL INVESTS IN ATLAS CLINICAL RESEARCH ALONGSIDE BPOC

PNC Erievue Capital recently completed an investment in Atlas Clinical Research (“Atlas”) in connection with BPOC’s formation of the new platform and initial acquisition of Rochester Clinical Research, a multi-therapeutic clinical research site located in Rochester, New York. PNC Erievue Capital provided equity co-investment in the transaction.

About Atlas Clinical Research

Atlas Clinical Research is a therapeutically driven clinical research site network built on centralized process excellence and integrated technology. Atlas sites and physicians form a bridge from patients and their families to new treatments that could improve their lives. Atlas specializes in infectious disease, CNS, gastroenterology, cardiovascular, metabolic, and general medicine and plans to expand across the United States to reach a broad and diverse population of waiting patients. Atlas partners with biopharma sponsors and CROs to find the fastest route to the future of healthcare with a relentless focus on speed, data quality, and patient care across the portfolio.
