

CLEVELAND – January 22, 2026

# PNC Erievew Capital Invests in AMAG Technology

**PNC Erievew Capital recently completed an equity co-investment in AMAG Technology (“AMAG” or the “Company”) led by Shore Rock Partners in partnership with BellTower Partners and the Company’s management team. The equity co-investment supported the spinoff of AMAG from Allied Universal.**

## **About AMAG Technology**

AMAG Technology is a world leader in unified security solutions that help organizations mitigate risk, ensure compliance and provide peace of mind. AMAG manufactures open solutions under the brand of Symmetry™ that include access control, visitor management, identity management, video management, analytics, mobile and intrusion management. AMAG serves customers with complex global footprints across critical infrastructure, regulated industries, and multinational environments, with decades of heritage successfully protecting data centers, utilities, banks, ports, national defense infrastructure, university campuses, healthcare facilities, and transportation hubs. AMAG is headquartered in Hawthorne, California, with sales and support located throughout the Americas, EMEA and APAC.

PNC Erievew Capital is a Cleveland, Ohio-based investment firm that provides any combination of subordinated debt, preferred and common equity co-investment to private, middle-market companies located in North America. PNC Erievew currently manages investments in approximately 50 platform companies and seeks to invest between \$5 million and \$65 million to finance leveraged buyouts, recapitalizations, and growth opportunities. Since our inception in 1979, PNC Erievew Capital has completed 298 platform investments, including 268 with middle market private equity sponsors.
