PNC Erievew Capital Invests in RxAnte

PNC Erievew Capital recently completed a debt and equity co-investment in RxAnte (the “Company”) to support Primus Capital’s growth investment in the Company in partnership with management.

About RxAnte

RxAnte, LLC, is a health technology and services company dedicated to helping people taking complex medication regimens live longer, healthier lives. Through its analytics, software, and subsidiary Mosaic Pharmacy Service, RxAnte provides health plans with the insights and clinical services necessary to improve medication use at the population level. RxAnte pioneered the use of health care data and advanced analytics to assess risk of unsafe medication use, manage programs to improve prescribing and adherence, and measure outcomes in vulnerable populations. In 2026, the Company will manage over 34 million lives in partnership with leading regional and national health plans. Mosaic provides high-touch, data-driven pharmacy care for medically complex and vulnerable populations. The Company’s peer-reviewed outcomes studies, conducted in collaboration with UPMC Health Plan, demonstrate that Mosaic improves member health, reduces hospitalizations, lowers medical costs, and improves quality scores. UPMC is a world-renowned health care provider and insurer that has been a partner with RxAnte since 2016.

PNC Erievew Capital is a Cleveland, Ohio-based investment firm that provides any combination of subordinated debt, preferred and common equity co-investment to private, middle-market companies located in North America. PNC Erievew currently manages investments in approximately 50 platform companies and seeks to invest between \$5 million and \$65 million to finance leveraged buyouts, recapitalizations, and growth opportunities. Since our inception in 1979, PNC Erievew Capital has completed 299 platform investments, including 269 with middle market private equity sponsors.
