For 38 years, PNC has calculated the prices of the 12 gifts from the classic holiday song, “The Twelve Days of Christmas.” The PNC Christmas Price Index® is a whimsical holiday tradition, which this year includes adjustments for the pandemic’s impact on the cost of purchasing the presents in the renowned carol.

A PARTRIDGE IN A PEAR TREE | \$222.68 (+6.0%)

The price of the Partridge and Pear Tree has grown this year, entirely due to rising cost of his tree

TWO TURTLE DOVES | \$450.00 (+50.0%)

These two birds were among the most changed gifts in the index this year, reflecting volatility in the markets overall so far in 2021.

THREE FRENCH HENS | \$255.00 (+40.5%)

The price of Three French Hens is also on the rise – by more than 40% – in 2021. It's a trend among of the birds that some may say is and for the birds.

FOUR CALLING BIRDS | \$599.96 (0.0%)

Ever the example of consistency, these Four Calling Birds ring in at \$599.96 again this year. It's no change from the 2019 index, but still a steep price to pay.

FIVE GOLD RINGS | \$895.00 (+8.5%)

If true love wants gold rings on their fingers, it's going to cost you \$895 to make it happen. It's a reflection of commodity and consumer price increases.

SIX GEESE-A-LAYING | \$660.00 (+57.1%)

The volatile birds trend for 2021 continues with Six Geese-a-Laying. They jumped in price by more than 57% this year — the highest increase of any gift in the index.

SEVEN SWANS-A-SWIMMING | \$13,125.00 (0.0%)

Routinely the most expensive gift in the Christmas Price Index, the Seven Swans-a-Swimming command a hefty \$13,125. That's a lot, but it's the same as they cost in 2019.

EIGHT MAIDS-A-MILKING | \$58.00 (0.0%)

There has been no change to the Federal Minimum Wage and therefore no change to the price for Eight Maids-a-Milking. They'll still cost \$58 in 2021.

NINE LADIES DANCING | \$7,552.84 (0.0%)

The Nine Ladies Dancing were out of the 2020 Christmas Price Index due to pandemic limits on live performances. Although they're back this year, their price hasn't changed from 2019 — reflecting consistency in the price for some performing arts.

TEN LORDS-A-LEAPING | \$11,260.00 (+12.6%)

The price of a ballet company has risen by almost 13% in 2021, which accounts for the rise in price for the Ten Lords-a-Leaping as they step their way back into the Christmas Price Index

ELEVEN PIPERS PIPING | \$2,943.93 (+7.1%)

The Eleven Pipers used their 2020 year away from the index to raise prices by more than 7%. The return of live music performance may well be worth it to your true love.

TWELVE DRUMMERS DRUMMING | \$3,183.17 (+7.1%)

Setting the beat for their return to the Christmas Price Index in 2021, the Twelve Drummers Drumming raised their price this year by more than 7%.
