

Committed to healthcare with dedicated, industry-focused solutions and expertise

Get to know PNC's Corporate Healthcare Group

PNC's Corporate Healthcare Group focuses on coordinating strategic, collaborative and customized sets of solutions for PNC's healthcare clients. As part of a relationship with PNC, the Corporate Healthcare team provides consultative advisory and idea generation to our clients across the healthcare spectrum, ranging from private practices to the largest Fortune 500 healthcare disruptors.

Investment Banking & Advisory Services

Discover and Execute the Right Strategic Options

Advice and consulting solutions that go beyond traditional bank financing.

- Harris Williams, a global investment bank specializing in M & A and private capital advisory services, has served clients for more than 30 years
- The firm advises clients on a wide range of engagements, including sellside and buy-side M&A
- The Harris Williams Private Capital Advisory Group (f/k/a Sixpoint Partners) offers private capital solutions and primary fund placement for private capital sponsors
- Equity Capital Markets (ECM): Advisory and transaction management services through Solebury Capital
 - 90+ priced healthcare ECM transactions to date, totaling \$37B+ in proceeds
- Strategic Communications: Leading advisory services for investor relations and corporate communications strategies via Solebury Strategic Communications
 - 140 investor relations and corporate communications healthcare engagements

Asset Management and Private Banking Services

Address Complex Portfolio and Fiduciary Challenges at the Institutional or Personal Level

Consultative solutions to address complex portfolio and fiduciary challenges across asset management, custody and outsourced investment solutions. Asset pools include operating and investment funds, defined benefits plans, defined contribution plans, insurance pools, foundations, and endowments.

- Significant experience and expertise managing asset portfolios, with a specific focus on healthcare businesses
- Private banking services offer high-touch, white-glove service to individuals
- Health savings accounts and wealth management platform for employees help differentiate employers of choice in a tight labor market
- An array of approaches to manage investment policy, including dynamic portfolio analysis, pension/ALM capabilities, custom cash management and fiduciary investment services

With decades of experience in healthcare and roles across Providers, Payors, Private Equity, and Corporate & Investment Banking, we are well-equipped to bring PNC's suite of solutions to bear for our healthcare clients. In tandem with PNC's high-touch, locally situated coverage teams, Corporate Healthcare team members engage the C-suite in the common parlance of the industry, bringing market research, trends, insights and ideas to our healthcare clientele.
