Registration Policy

PNC Realty Services is a division of PNC Financial Services Group, Inc., which manages and disposes of bank owned real estate assets for PNC, its subsidiaries and affiliates. We are currently marketing for sale the assets described in this catalogue. Further information is available for most of our properties and can be obtained by calling or writing our office at the address and phone number listed below.

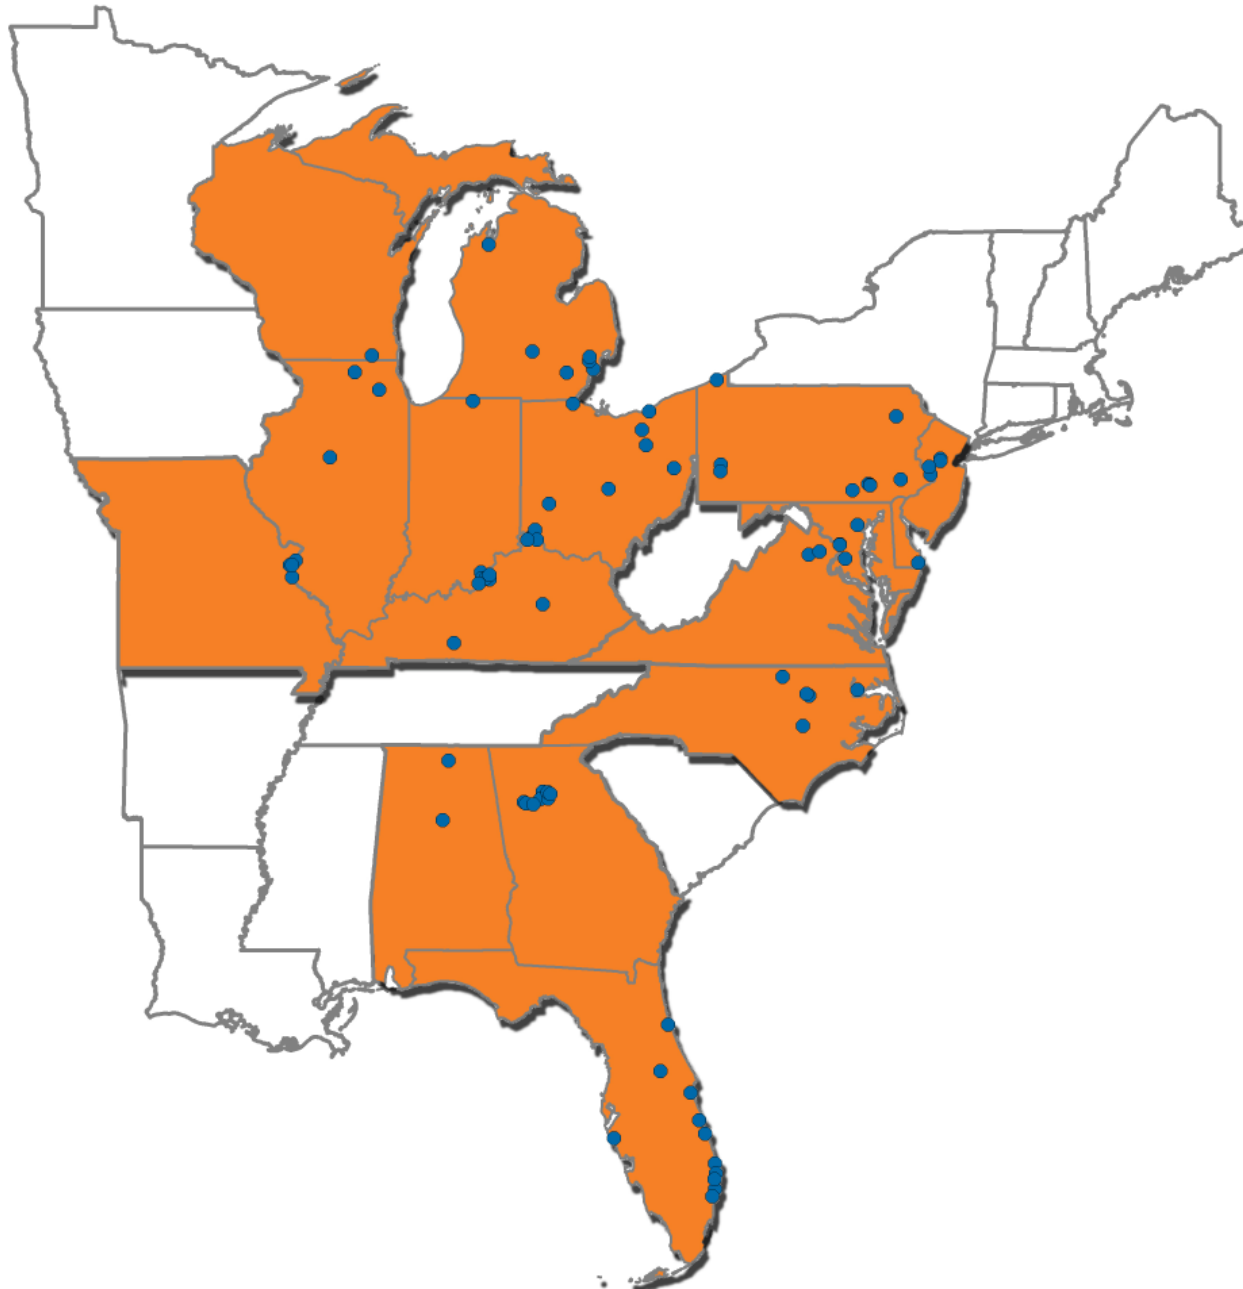

All of PNC Realty Services real estate assets are marketed on an open listing basis, with exceptions as indicated in the catalogue. For information about properties for sale, please contact the broker listed to the right of the property listing. Otherwise, contact PNC Realty Services directly. Our registration and commission policies follow.

Registration of a broker's client is achieved upon the issuance of written Acknowledgement of receipt by PNC Realty Services of a letter from the client on the client's letterhead stating that the broker is authorized to represent the client with respect to a specific named property. The letter may be addressed to the broker and presented to PNC Realty Services. The registration remains in effect for a period of six (6) months from the date on the client's letter. However, if the broker satisfies PNC Realty Services that as of the date of termination the broker and client are actively pursuing the consummation of a sale, lease or other disposition of the specific property, PNC Realty Services may agree to an extension of such registration for an additional six (6) month period. The aforesaid extension shall be binding on PNC Realty Services only upon acknowledgement in writing by PNC Realty Services. Nothing herein shall constitute nor be deemed to constitute a written listing agreement between PNC Realty Services and any broker.

Please note, PNC Realty Services does not accept any broker's registration of another broker as a "protected party." PNC Realty Services will only recognize the Broker directly representing the buyer, as per the registration procedure above. When an "exclusive broker" is selected by PNC Realty Services to sell a particular property, any Commission to an outside third-party broker representing interested prospects will be solely determined by the exclusive broker.
