

BUILD SALES, MAINTAIN MARGINS AND INCREASE SHARE WITH A BRANDED FINANCE PROGRAM

PNC Vendor Finance delivers built-to-spec programs designed to meet your goals and needs.

North America's leading makers of food and beverage processing, production and packaging equipment count on PNC Vendor Finance.

- Build sales through a finance program designed for your company, your industry, your distribution channels and your customers.
- Choose private label or co-branded finance programs.
- Benefit from deep industry experience developing and implementing programs through diverse, multitiered distribution channels.
- Create a high-impact, competitive advantage for your sales channels.
- Offer fast, easy and affordable acquisition solutions to your customers.

Revenue for the Food Processing Equipment Distributors industry is projected to increase an annualized 3.5% to \$7.9 billion over the 5 years to 2026.¹

PNC Vendor Finance can help you capture an increased share.

CUSTOMIZED PROGRAM DEVELOPMENT

We know the best way to design a successful vendor program is to fully understand each client's unique situation. That's why we invest the time to listen and to get to know your business and vision. We view expectations from your vantage point. And then we engineer the easy-to-implement structured finance solution that's based on your exact needs, growth and profitability goals — always with a focus on clear bottom-line benefits.

Financing built for manufacturers and their customers

Our experienced professionals understand more than financing. We know the useful life of equipment, the real value of the assets you produce, and how the equipment and systems will help your customers meet their business and profitability goals. Most importantly, we work with you to offer financing solutions that best fit your customers' requirements.

- New and used equipment loans and leases
- Capital expenditures
- Operating leases
- Sale-leaseback transactions
- Refinance of existing debt
- Growth capital
- Seasonal payment plans
- Progress funding
- Installation and implementation
