

Build sales, maintain margins and increase market share

with a branded finance program

PNC Vendor Finance delivers built-to-spec programs designed to help meet your goals and needs.

Industry-leading makers of medical devices across all disciplines — as well as information and management systems — count on PNC Vendor Finance to help build sales and create a competitive advantage by offering their customers fast, easy and affordable financing solutions.

Customized Program Development

We know the best way to design a successful vendor program is to fully understand each client's unique situation. That's why we invest the time to listen and to get to know your business and vision.

We view expectations from your vantage point. And then we engineer the easy-to-implement structured finance solution that's based on your exact needs, growth and profitability goals — always with a focus on clear bottom-line benefits.

- **Build sales** through a finance program designed for your company, your industry, your distribution channels and your customers.
- **Choose private label or co-branded** finance programs.
- **Benefit from deep industry experience** developing and implementing programs through diverse, multitiered distribution channels.
- **Create a high-impact, competitive advantage** for your sales channels.
- **Offer fast, easy and affordable acquisition solutions** to your customers.

Financing Built for Manufacturers and Their Customers

We work with you to secure the financing that is best for your customers.

- New and preowned equipment loans and leases
- Capital expenditures
- Operating leases
- Sale-leaseback transactions
- Refinance of existing debt
- Inventory finance
- Recapitalization
- Bundled service financing
- Managed use structures
- Pre-approval offerings
- Municipal leases
- Customized payment structure
