PNC Virtual Wallet Student Features and Fees

Effective December 2, 2023

All Markets. All prices are subject to change. Products, services and prices may vary by market.

**Account Opening and Usage**

Virtual Wallet Student is comprised of 3 accounts working together:

- Your Spend account is a non-interest-bearing checking account
- Your Reserve account is an interest-bearing checking account used for short term savings goals
- Your Growth account is a savings account which earns interest and can be used for longer term savings goals

No Monthly Service Charge for the first six (6) years from the date of account opening. You may be asked to provide proof of enrollment in a qualifying educational institution. At the end of the six year period, this account will convert to a Virtual Wallet and will be subject to applicable service charges/fees. If you transfer this account to a different product or account type during the first six years, you will forfeit the benefits of the Virtual Wallet Student account and will not be able to transfer back to the Virtual Wallet Student account.

**Debit Card and ATM Transactions**

PNC Bank Visa® Debit Card Fees:

- **PNC Bank Visa Debit Card** (Required. No charge)
  - A Debit Card will be issued when your Virtual Wallet is opened, or you may link your Virtual Wallet to an existing PNC Debit Card or University ID card (if available).
- **Affinity Visa Debit Cards** (No charge)
  - All School Affinity Cards are available at no charge.

For current interest rate and Annual Percentage Yield information, call 1-888-PNC-BANK (1-888-762-2265).

Balances on your Growth account will receive a standard variable savings rate and APY. Beginning with the calendar month following the date you open your Virtual Wallet, you can qualify for a higher variable relationship rate in any month in which you meet any one of the following requirements:

- Make a combination of 5 or more debit card and/or credit card transactions during the previous calendar month.
- Qualifying debit card transactions are either PIN or non-PIN point-of-sale transactions made from your Virtual Wallet Spend account.
- Qualifying credit card transactions are signature based point-of-sale transactions made from a PNC consumer credit card you have chosen to link to your Virtual Wallet online view.
- Cash advances and ATM transactions are not considered qualifying transactions.
- Transactions are considered to be made when the transaction posts to the Spend or credit card account, which may be later than the date you initiated the transaction.

Have $500 in qualifying direct deposits to your Spend account during the previous calendar month.

When either the standard or relationship rate is applied, your Growth account will earn interest on the entire account balance each day at the interest rate and APY in effect for the appropriate balance tier.

We will only link accounts at your direction. If you have not directed PNC to link another account to your Virtual Wallet Student, the accounts will not be linked and you will not receive a Relationship Rate or other relationship benefits on your unlinked PNC accounts. The requirement that you direct us to link accounts in order for you to receive benefits applies to all of your PNC accounts.

FOOTNOTES:
1 A qualifying direct deposit is a recurring electronic deposit made by an employer or an outside agency. Transfers made from one account to another or deposits made via a branch, ATM, online transfer, mobile device or the mail are not eligible to meet this requirement.
2 See the PNC Virtual Wallet Fine Print “What You Need to Know”, “Interest Payment and Balance Computation” section for details.
3 PNC Bank charges may apply for use of another financial institution's or ATM operator's ATMs. Additionally, other financial institutions and/or ATM operators may charge for using their ATMs.
4 In the event PNC determines that there has been fraudulent or excessive ATM usage on the account, PNC is not obligated to reimburse any related surcharge fees, and any related reimbursements must be repaid. Surcharge fees not identified within the transaction by the originating financial institution may not be reimbursed. Any fee reimbursements occur at the end of the statement period.
5 Some accounts may not be eligible to be linked as overdraft protection based on titling structure, product type or other constraints. Transfers from your Reserve, Growth or other PNC deposit account are in the exact amount of the overdraft. Transfers from a line of credit or credit card are a minimum of $50.00, rounded upward to the next whole dollar. Transfers from a credit card are subject to the cash advance limits and may be charged a cash advance fee on the credit card. Overdraft Protection via a line of credit or credit card is subject to applicable Account Agreements and/or Disclosure Statements.
6 Transaction fees will apply to your account if you exceed six (6) Restricted Transfers in a monthly service charge period. Restricted Transfers are transfers from a Growth account to other accounts (including transfers to another account for overdraft protection) or to third parties by check, through point-of sale purchase transactions or similar debit card transactions, by pre-authorized or automatic agreements, telephone, online or similar order payable to a third person. If you make more than a total of six (6) Restricted Transfers in a monthly service charge period, you will be charged a fee for each Restricted Transfer. See your Virtual Wallet Fine Print for more information. Other limits may apply to your account. We reserve the right to suspend enforcement of these transaction limitations, or to modify them, at our discretion.
7 There may be fees for certain optional services available through PNC Online Banking and Bill Pay.
