FOOTNOTES:

1 A qualifying direct deposit is a recurring electronic deposit made by an employer or an outside agency. Transfers made from one account to another
or deposits made via a branch, ATM, online transfer, mobile device or the mail are not eligible to meet this requirement.

2 The 62 age waiver will only be applied if the date of birth for the Primary or Secondary owner(s) on the account meets the age requirement. The
date of birth for a fiduciary (i.e. Rep Payee, Trustee) is not eligible for the waiver. If no date of birth is on file, waiver eligibility is based on the date of
account opening.

3 The employee monthly service charge waiver is only available during the time you are employed at PNC. When your PNC employment ends, you
will need to meet other conditions applicable at that time, if there are any, in order to have your monthly service charge waived. Contractors, inactive
employees receiving a W2, or PNC employees whose residence or primary workplace is outside of the United States of America are not eligible
for the employee monthly service charge waiver. For customers who become PNC employees after their account is opened, it may take up to one
additional statement period for your new employee monthly service charge waiver to take effect.

4 See the PNC Virtual Wallet Fine Print “What You Need to Know”, “Interest Payment and Balance Computation” section for details.

5 PNC Bank charges may apply for use of another financial institution's or ATM operator's ATMs. Additionally, other financial institutions and/or ATM
operators may charge for using their ATMs.

6 Some accounts may not be eligible to be linked as overdraft protection based on titleing structure, product type or other constraints. Transfers from
your Reserve, Growth or other PNC deposit account are in the exact amount of the overdraft. Transfers from a line of credit or credit card are a
minimum of $50.00, rounded upward to the next whole dollar. Transfers from a credit card are subject to the cash advance limits and may be charged
a cash advance fee on the credit card. Overdraft Protection via a line of credit or credit card is subject to applicable Account Agreements and/or
Disclosure Statements.

7 Transaction fees will apply to your account if you exceed six (6) Restricted Transfers in a monthly service charge period. Restricted Transfers are
transfers from a Growth account to other accounts (including transfers to another account for overdraft protection) or to third parties by check, through
point-of-sale purchase transactions or similar debit card transactions, by pre-authorized or automatic agreements, telephone, online or similar order
payable to a third person. If you make more than a total of six (6) Restricted Transfers in a monthly service charge period, you will be charged a fee
for each Restricted Transfer. See your Virtual Wallet Fine Print for more information. Other limits may apply to your account. We reserve the right to
suspend enforcement of these transaction limitations, or to modify them, at our discretion.
