For current interest rate and Annual Percentage Yield information, call 1-888-PNC-BANK (1-888-762-2265).

PNC reserves the right to refuse or return any deposit amount to you that causes the combined balance of all of your Virtual Wallet Growth accounts with us to exceed \$5,000,000 (including any jointly owned, or in the case of an account owned by a living trust, jointly managed accounts).

We will only link accounts at your direction. If you have not directed PNC to link another account to your Virtual Wallet with Performance Spend, the accounts will not be linked and you will not receive a Relationship Rate, applicable waivers of monthly service charges or other relationship benefits on your unlinked PNC accounts. The requirement that you direct us to link accounts in order for you to receive benefits applies to all of your PNC accounts.

You may link accounts with at least one common account owner for purposes of receiving pricing benefits (for example, waiver of a monthly service charge if balance requirements are met). When you link accounts with other accounts, any account owner on any linked accounts may have access to limited information about any of the linked accounts. This is true even if that account owner is not a signer on the linked account. Also, any signer added later to one of the linked accounts will be able to see the limited information. The limited information that may be available includes, the existence of the account and information to determine if the criteria for the fee waiver and/or relationship rate benefits has been met, such as: the balance of the account, the number and total dollar amount of direct deposits received per month and the number of debit and/or credit card purchases posted per month.

**FOOTNOTES:**

1. PNC deposit accounts eligible to be linked may include consumer checking, savings, money market, certificates of deposit and retirement certificates of deposit. Some accounts may not be eligible to be included in the combined average monthly balance requirement based on tilting structure, product type or other constraints. A maximum of ten (10) linked PNC accounts, including your Spend, Reserve and Growth accounts, may be included in the combined average monthly balance relationship. See the PNC Virtual Wallet Fine Print: “What You Need to Know”, “Interest and Balance Computation” section for details. The average monthly balance is calculated by adding the principal in each of your related accounts for each day of the current statement period and dividing that figure by the number of days in the current statement period.

2. A qualifying direct deposit is a recurring electronic deposit made by an employer or an outside agency. Transfers made from one account to another or deposits made via a branch, ATM, online transfer, mobile device or the mail are not eligible to meet this requirement.

3. The employee monthly service charge waiver is only available during the time you are employed at PNC. When your PNC employment ends, you will need to meet other conditions applicable at that time, if there are any, in order to have your monthly service charge waived. Contractors, inactive employees receiving a W2, or PNC employees whose residence or primary workplace is outside of the United States of America are not eligible for the employee monthly service charge waiver. For customers who become PNC employees after their account is opened, it may take up to one additional statement period for your new employee monthly service charge waiver to take effect.

4. See the PNC Virtual Wallet Fine Print: “What You Need to Know”, “Interest and Balance Computation” section for details.

5. PNC Bank charges may apply for use of another financial institution’s or ATM operator’s ATMs. Additionally, other financial institutions and/or ATM operators may charge for using their ATMs.

6. In the event PNC determines that there has been fraudulent or excessive ATM usage on the account, PNC is not obligated to reimburse any related surcharge fees, and any related reimbursements must be repaid. Surcharge fees not identified within the transaction by the originating financial institution may not be reimbursed. Any fee reimbursements occur at the end of the statement period.

7. Some accounts may not be eligible to be included in the combined average monthly balance requirement based on tilting structure, product type or other constraints. Transfers from your Reserve, Growth or other PNC deposit account are in the exact amount of the overdraft. Transfers from a line of credit or card are a minimum of $50.00, rounded upward to the next whole dollar. Transfers from credit card are subject to the cash advance limit and may be charged a cash advance fee on the card. Overdraft Protection via a line of credit or card is subject to applicable Account Agreements and/or Disclosure Statements.

8. You may not make more than a total of six (6) transfers each statement cycle from a savings or money market account to other accounts (including transfers to another account for overdraft protection) or to third parties by check, through point-of-sale purchase transactions or similar debit card transactions, by pre-authorized or automatic agreements, telephone, online or similar order payable to a third person. See your account agreement for more information. Other limits may apply to your account. Excessive transactions may result in your Savings or Money Market account being changed to a Standard Checking account, which will be subject to the fees and terms as described in the Consumer Schedule of Service Charges and Fees in effect at that time. We reserve the right to suspend enforcement of these transaction limitations, at our discretion.

9. There may be fees for certain optional services available through PNC Online Banking and Bill Pay. In the event your Spend account is closed, you will lose your Virtual Wallet and your Reserve and Growth accounts will become stand-alone Interest Checking and Premiere Money Market accounts respectively, and will be subject to the features and terms as described in the Consumer Schedule of Service Charges and Fees in effect at that time.
