Balance Earns Interest⁴

Minimum daily balance to obtain the Annual Percentage Yield:

- \$2,000–\$9,999.99
- \$10,000–\$49,999.99
- \$50,000–\$99,999.99
- \$100,000+

For current interest rate and Annual Percentage Yield information, call 1-888-PNC-BANK (1-888-762-2265).

We will only link accounts at your direction. If you have not directed PNC to link another account to your Performance Checking account, the accounts will not be linked and you will not receive any applicable waivers of monthly service charges or other relationship benefits on your unlinked PNC accounts. The requirement that you direct us to link accounts in order for you to receive benefits applies to all of your PNC accounts.

You may link accounts with at least one common account owner for purposes of receiving pricing benefits (for example, waiver of a monthly service charge if balance requirements are met). When you link accounts with other accounts, any account owner on any linked accounts may have access to limited information about any of the linked accounts. This is true even if that account owner is not a signer on the linked account. Also, any signer added later to one of the linked accounts will be able to see the limited information. The limited information that may be available includes, the existence of the account and information to determine if the criteria for the fee waiver and/or relationship rate benefits has been met, such as: the balance of the account, the number and total dollar amount of direct deposits received per month and the number of debit and/or credit card purchases posted per month.

FOOTNOTES:

- 1 *PNC deposit accounts eligible to be linked include consumer checking, savings, money market, certificates of deposit and retirement certificates of deposit. Some accounts may not be eligible to be included in the combined average monthly balance requirement based on titling structure, product type or other constraints. A maximum of ten (10) linked PNC accounts, including this account, may be included in the combined average monthly balance relationship. See our Account Agreement for Personal Checking, Savings and Money Market Accounts, "Interest Payment and Balance Computation" section for details. We will determine the combined average monthly balance using the most current statement period balance on linked deposit accounts as of the day before this account cycles.*
- 2 *A qualifying direct deposit is a recurring electronic deposit made by an employer or an outside agency. Transfers made from one account to another or deposits made via a branch, ATM, online transfer, mobile device or the mail are not eligible to meet this requirement.*
- 3 *If the money market or savings account receiving the service charge waiver is closed, the monthly service charge for another linked Standard Savings or Premiere Money Market account will be waived. If there are multiple linked Standard Savings or Premiere Money Market accounts, PNC will select an account considering the following factors, in order of priority; a) accounts that are not already receiving a longer-term service charge waiver; b) the account with the highest monthly service charge amount, and c) the account most recently opened. You may change the account that receives the service charge waiver at any time.*
- 4 *See our Account Agreement for Personal Checking, Savings and Money Market Accounts, "Interest Payment and Balance Computation" section for details.*
- 5 *PNC Bank charges may apply for use of another financial institution's or ATM operator's ATMs. Additionally, other financial institutions and/or ATM operators may charge for using their ATMs.*
- 6 *In the event PNC determines that there has been fraudulent or excessive ATM usage on the account, PNC is not obligated to reimburse any related surcharge fees, and any related reimbursements must be repaid. Surcharge fees not identified within the transaction by the originating financial institution may not be reimbursed. Any fee reimbursements occur at the end of the statement period.*
- 7 *Some accounts may not be eligible to be linked as overdraft protection based on titling structure, product type or other constraints. Transfers from a PNC checking, savings or money market are in the exact amount of the overdraft. Transfers from a line of credit or credit card are a minimum of \$50.00, rounded upward to the next whole dollar. Transfers from a credit card are subject to the cash advance limits and may be charged a cash advance fee on the credit card. Overdraft Protection via a line of credit or credit card is subject to applicable Account Agreements and/or Disclosure Statements.*
- 8 *There may be fees for certain optional services available through PNC Online Banking and Bill Pay.*
