FOOTNOTES:
1 PNC deposit accounts eligible to be linked include consumer checking, savings, money market, certificates of deposit and retirement certificates of deposit. Some accounts may not be eligible to be included in the combined average monthly balance requirement based on titling structure, product type or other constraints. A maximum of ten (10) linked PNC accounts, including this account, may be included in the combined average monthly balance relationship. See our Account Agreement for Personal Checking, Savings and Money Market Accounts, “Interest Payment and Balance Computation” section for details. We will determine the combined average monthly balance using the most current statement period balance on linked deposit accounts as of the day before this account cycles.
2 A qualifying direct deposit is a recurring electronic deposit made by an employer or an outside agency. Transfers made from one account to another or deposits made via a branch, ATM, online transfer, mobile device or the mail are not eligible to meet this requirement.
3 If the money market or savings account receiving the service charge waiver is closed, the monthly service charge for another linked Standard Savings or Premiere Money Market account will be waived. If there are multiple linked Standard Savings or Premiere Money Market accounts, PNC will select an account considering the following factors, in order of priority; a) accounts that are not already receiving a longer-term service charge waiver; b) the account with the highest monthly service charge amount, and c) the account most recently opened. You may change the account that receives the service charge waiver at any time.
4 See our Account Agreement for Personal Checking, Savings and Money Market Accounts, “Interest Payment and Balance Computation” section for details.
5 PNC Bank charges may apply for use of another financial institution’s or ATM operator’s ATMs. Additionally, other financial institutions and/or ATM operators may charge for using their ATMs.
6 In the event PNC determines that there has been fraudulent or excessive ATM usage on the account, PNC is not obligated to reimburse any related surcharge fees, and any related reimbursements must be repaid. Surcharge fees not identified within the transaction by the originating financial institution may not be reimbursed. Any fee reimbursements occur at the end of the statement period.
7 Some accounts may not be eligible to be linked as overdraft protection based on titling structure, product type or other constraints. Transfers from a PNC checking, savings or money market are in the exact amount of the overdraft plus applicable fees. Transfers from a line of credit or credit card are a minimum of $50.00, rounded upward to the next whole dollar. Transfers from a line of credit or credit card may be charged a fee on the line of credit or credit card. Overdraft Protection via a line of credit or credit card is subject to applicable Account Agreements and/or Disclosure Statements.
8 There may be fees for certain optional services available through PNC Online Banking and Bill Pay.
