FOOTNOTES

1 A qualifying direct deposit is a recurring electronic deposit made by an employer or an outside agency. Transfers made from one account to another or deposits made via a branch, ATM, online transfer, mobile device or the mail are not eligible to meet this requirement.

2 The 62 age waiver will only be applied if the date of birth for the primary or secondary owner(s) on the account meets the age requirement. The date of birth for a fiduciary (i.e. Rep Payee, Trustee) is not eligible for the waiver. If no date of birth is on file, waiver eligibility is based on the date of account opening.

3 PNC Bank charges may apply for use of another financial institution’s or ATM operator’s ATMs. Additionally, other financial institutions and/or ATM operators may charge for using their ATMs.

4 In the event PNC determines that there has been fraudulent or excessive ATM usage on the account, PNC is not obligated to reimburse any related surcharge fees, and any related reimbursements must be repaid. Surcharge fees not identified within the transaction by the originating financial institution may not be reimbursed. Any fee reimbursements occur at the end of the statement period.

5 Some accounts may not be eligible to be linked as overdraft protection based on titling structure, product type or other constraints. Transfers from a PNC checking, savings or money market are in the exact amount of the overdraft. Transfers from a line of credit or credit card are a minimum of $50.00, rounded upward to the next whole dollar. Transfers from a credit card are subject to the cash advance limits and may be charged a cash advance fee on the credit card. Overdraft Protection via a line of credit or credit card is subject to applicable Account Agreements and/or Disclosure Statements.

6 There may be fees for certain optional services available through PNC Online Banking and Bill Pay.
