Filing a Purchase Security claim
Call the Benefit Administrator at 1-800-553-4820, or call collect outside the U.S. at 1-303-967-1096, within sixty (60) days of the damage or theft (if You wait longer, coverage may be denied). The Benefit Administrator will ask for some preliminary claim information, answer Your questions and send You a claim form. When You submit Your claim, be sure to include all information regarding Your claim including the time, place, cause and the amount to either replace or repair the item.

If You have insurance (homeowner’s, renter’s, car, employer or any other), You are required to file a claim with Your insurance company and to submit a copy of any claim settlement from Your insurance company along with Your claim form. Purchase Security provides coverage on an “excess” coverage basis, meaning it does not duplicate coverage, but pays for a loss only after valid and collectible insurance or indemnity (including, but not limited to, homeowner’s, renter’s, automobile, or employer’s insurance policies) has been exhausted. At that point, Purchase Security will cover the loss up to the amount charged to Your eligible Account, subject to the terms, exclusions, and limits of liability of the benefit.

This benefit also pays for the outstanding deductible portion of Your insurance or indemnity for eligible claims. The maximum total limit of liability is up to five hundred dollars ($500.00) per claim occurrence and fifty thousand dollars ($50,000.00) per cardholder. You will receive no more than the purchase price as recorded on the eligible card receipt.

When a protected item is part of a pair or set, You will receive no more than the value (as described above) of the particular part or parts, stolen or damaged, regardless of any special value that item may have as part of such a pair or set, and no more than the proportionate part of an aggregate purchase price of such pair or set.

For faster filing, or to learn more about Purchase Security, visit www.cardbenefitservices.com

Gift recipients may file their own claims, if they have the necessary substantiating documents.

Please submit the following documents:
• Your signed and completed claim form
• A copy of Your monthly billing statement (showing the last four [4] digits of the Account number) demonstrating that the purchase was made on Your eligible Account and/or rewards program associated with Your covered Account
• If more than one method of payment was used, please provide documentation as to additional currency, voucher, points or any other payment method utilized
• A copy of the itemized store receipt demonstrating that the purchase was made on Your eligible Account and/or rewards program associated with Your covered Account
• Copy of the documentation of any other settlement of the loss (if applicable)
• If the item is repairable, the estimate of repair OR a copy of the paid receipt/invoice for the repairs, indicating the type of damage to the claimed item (if applicable)
• Copy of the police report (made within forty-eight [48] hours of the occurrence in the case of theft), fire report or incident report to substantiate the loss. If the loss was not reported, please provide a replacement receipt or other sufficient proof of loss deemed eligible solely by Your Benefits Specialist (if applicable)
• Any other documents necessary to substantiate Your claim

In some cases of damage, You will be asked to send, at Your expense, the damaged item along with Your claim in order to substantiate the claim, so make sure to keep the damaged item in Your possession.

PLEASE NOTE: Your maximum recovery under the Purchase Security Benefit is the purchase price of the item, not to exceed the coverage limit. Please return Your signed and completed form with all documentation within ninety (90) days of the date of theft or damage.

How will I be reimbursed?
Once You’ve met the conditions of this benefit, the Benefit Administrator will resolve Your claim in one of two ways:
• A damaged item may be repaired, rebuilt, or replaced, while a stolen item will be replaced. Typically, You will receive notice about this decision within fifteen (19) days upon receipt of Your claim documentation.
• You may receive payment to replace Your item, an amount not more than the original purchase price, less shipping and handling charges, up to five hundred dollars ($500.00) per claim and fifty thousand dollars ($50,000.00) per cardholder. You will only be reimbursed up to the dollar amount to replace or repair the item or the program limit, whichever is less. Under normal circumstances, reimbursement will take place within five (5) business days.

Cell phones have become an everyday necessity for the average person, which means if your cell phone is damaged or stolen, getting it repaired or replaced is not optional.

Fortunately, Cell Phone Protection is available which provides coverage for damage to, theft of, or involuntary and accidental parting of your cell phone. An involuntary and accidental parting is the unintended separation from your cell phone when its location is known, but recovery is impractical to complete. This benefit is available if you are a valid cardholder of an eligible U.S. issued card enrolled in the Cell Phone Protection benefit and you charge your monthly cell phone bills to your eligible card for the billing cycle before the month in which the incident occurs. Eligible cell phones are the lines listed on your most recent cell phone service provider’s (“cell phone provider”) monthly billing statement for the billing cycle prior to when the incident occurred.

What is covered by Cell Phone Protection?
This benefit is supplemental coverage, which means that it will reimburse you for theft of, damage to or involuntary and accidental parting of your cell phone not otherwise covered by another insurance policy (for example, cell phone insurance programs, or your homeowner’s, renter’s, automobile, or employer’s insurance policies).

If you do have personal insurance that covers theft, damage or involuntary and accidental parting for your cell phone, this benefit reimburses you for the deductible portion of your cell phone insurance.

If you do not have personal insurance, the benefit reimburses you for the covered theft, damage, or involuntary and accidental parting for your cell phone.

Once all other insurance has been exhausted, Cell Phone Protection will provide coverage up to $800.00 per claim with a maximum of two (2) claims and $1,600.00 per twelve (12) month period. If it is determined that your cell phone requires replacement due to the theft of, damage to or an involuntary or accidental parting of the device, you will receive the replacement value subject to the fifty dollar ($50.00) deductible and the benefit maximum. The replacement value is the lesser of your cell phone service provider’s suggested retail value of a similar model replacement cell phone or the actual cost to replace the cell phone.

If your cell phone is repairable, you will receive an amount as determined by the diagnostic to repair the cell phone subject to the benefit maximum and fifty-dollar ($50.00) deductible.

Note: Electronic issues, such as inability to charge, mechanical or battery failure, where there is no evidence of physical damage, are not covered under this program.

When does it apply:
Cell Phone Protection applies when you make your monthly cell phone bill payment with your eligible card. Coverage begins the first day of the calendar month following a payment of the cell phone bill. If you fail to make a cell phone bill payment in a particular month, your coverage will be suspended. Coverage will resume on the first day of the calendar month after the date of any future cell phone bill payment made with the eligible card.

If your cell phone is stolen as a result of criminal activity, you must file a police report within forty-eight (48) hours of the event.

What is not covered by Cell Phone Protection:
This benefit will not provide reimbursement for the following:

- Cosmetic damage to the cell phone or damage that does not impact the cell phone’s capabilities and functionalities
- Damage or theft resulting from abuse, intentional acts, fraud, hostilities of any kind (including, but not limited to, war, invasion, rebellion, or insurrection), confiscation by the authorities, risks of contraband, illegal activities, normal wear and tear, flood, earthquake, radioactive contamination, or damage from inherent product defects
- Damage or theft resulting from misdelivery or voluntary parting with the cell phone
- Taxes, delivery and transportation charges, and any fees associated with the cell phone service provider
- Losses caused by or resulting from a Cyber Incident

How to file for a Cell Phone Protection claim:
1. Within sixty (60) days of the date of the damage or theft, notify the Benefit Administrator at 1-866-894-8569 or outside the U.S. call collect at 1-303-967-1096. The Benefit Administrator will ask you some preliminary questions and send you the appropriate claim form. Please note, if you do not notify the Benefit Administrator within sixty (60) days after the damage or theft, your claim may be denied.

2. Return the completed, signed claim form and the requested documentation below within ninety (90) days of the date of the damage or theft to the address provided by the Benefit Administrator.

b) The current cell phone service provider’s suggested retail value of a similar model replacement cell phone, or the actual cost to replace it, whichever is lower (not including taxes, delivery and transportation charges or fees associated with the cell phone service provider), less Your fifty-dollar ($50.00) deductible.

c) If Your cell phone is repairable, You will receive an amount as determined by the diagnostic to repair the cell phone less Your fifty dollar ($50.00) deductible.

Under normal circumstances, reimbursement will take place within ten (10) business days of receipt and approval of Your claim form and all necessary documents.
