CELL PHONE PROTECTION

Cell phones have become an everyday necessity for the average person, which means if Your cell phone is damaged or stolen, getting it repaired or replaced is not optional.

Fortunately, Cell Phone Protection is available which provides coverage for damage to, theft of, or involuntary and accidental parting of Your cell phone. An involuntary and accidental parting is the unintended separation from Your cell phone when its location is known, but recovery is impractical to complete. This benefit is available if You are a valid cardholder of an eligible U.S. issued card enrolled in the Cell Phone Protection benefit and You charge Your monthly cell phone bills to Your eligible card for the billing cycle before the month in which the incident occurs. Eligible cell phones are the lines listed on Your most recent cell phone service provider's ("cell phone provider") monthly billing statement for the billing cycle prior to when the incident occurred.

What is covered by Cell Phone Protection?

This benefit is supplemental coverage, which means that it will reimburse You for theft of, damage to or involuntary and accidental parting of Your cell phone not otherwise covered by another insurance policy (for example, cell phone insurance programs, or Your homeowner's, renter's, automobile, or employer's insurance policies).

If You **do** have personal insurance that covers theft, damage or involuntary and accidental parting for Your cell phone, this benefit reimburses You for the deductible portion of Your cell phone insurance.

If You **do not** have personal insurance, the benefit reimburses You for the covered theft, damage, or involuntary and accidental parting for Your cell phone.

Once all other insurance has been exhausted, Cell Phone Protection will provide coverage up to \$800.00 per claim with a maximum of two (2) claims and \$1,600.00 per twelve (12) month period. If it is determined that Your cell phone requires replacement due to the theft of, damage to or an involuntary or accidental parting of the device, You will receive the replacement value subject to the fifty dollar (\$50.00) deductible and the benefit maximum. The replacement value is the lesser of Your cell phone service provider's suggested retail value of a similar model replacement cell phone or the actual cost to replace the cell phone.

If Your cell phone is repairable, You will receive an amount as determined by the diagnostic to repair the cell phone subject to the benefit maximum and fifty-dollar (\$50.00) deductible.

Note: Electronic issues, such as inability to charge, mechanical or battery failure, where there is no evidence of physical damage, are not covered under this program.

When does it apply:

Cell Phone Protection applies when You make Your monthly cell phone bill payment with Your eligible card. Coverage begins the first day of the calendar month following a payment of the cell phone bill.

If You fail to make a cell phone bill payment in a particular month, Your coverage will be suspended. Coverage will resume on the first day of the calendar month after the date of any future cell phone bill payment made with the eligible card.

If Your cell phone is stolen as a result of criminal activity, You must file a police report within forty-eight (48) hours of the event.

What is not covered by Cell Phone Protection:

This benefit will not provide reimbursement for the following:

- Cell phone accessories other than standard battery and/or standard antenna provided by the manufacturer
- Cell phones purchased for resale, professional, or commercial use
- Cell phones that are lost or "mysteriously disappear," meaning that the phone vanished in an unexplained manner without evidence of a wrongful act by a person or persons
- Cell phones under the care and control of a common carrier (including, but not limited to, the U.S. Postal Service, airplanes, or delivery service)
- Cell phones stolen from baggage unless hand-carried and under Your personal supervision, or under supervision of Your traveling companion
- Cell phones which have been rented, borrowed or are part of pre-paid or "pay as you go" type plans
- Cosmetic damage to the cell phone or damage that does not impact the cell phone's capabilities and functionalities
- Damage or theft resulting from abuse, intentional acts, fraud, hostilities of any kind (including, but not limited to, war, invasion, rebellion, or insurrection), confiscation by the authorities, risks of contraband, illegal activities, normal wear and tear, flood, earthquake, radioactive contamination, or damage from inherent product defects
- Damage or theft resulting from misdelivery or voluntary parting with the cell phone
- Taxes, delivery and transportation charges, and any fees associated with the cell phone service provider
- Losses caused by or resulting from a Cyber Incident

How to file for a Cell Phone Protection claim:

1. Within sixty (60) days of the date of the damage or theft, notify the Benefit Administrator at **1-866-894-8569** or **outside the U.S. call collect at 1-303-967-1096**. The Benefit Administrator will ask You some preliminary questions and send You the appropriate claim form. **Please note, if You do not notify the Benefit Administrator within sixty (60) days after the damage or theft, Your claim may be denied.**
2. Return the completed, signed claim form and the requested documentation below within ninety (90) days of the date of the damage or theft to the address provided by the Benefit Administrator.

- A copy of Your cell phone service provider billing statement demonstrating that the entire monthly payment for the cell phone bill was made the month prior to the date of damage or theft and has been paid with the eligible card
- If Your cell phone service provider's billing statement doesn't show payment with the eligible card, a copy of Your card monthly billing statement that corresponds with the above cell phone monthly billing statement
- A copy of the device summary page from Your cell phone bill or other sufficient proof of the claimed cell phone model linked to Your cell phone account
- If the claim is due to theft or criminal action, a copy of the police report filed within **forty-eight (48) hours of the event**
- Based on the details of the claim, the Benefits Administrator may request additional verification including:
 - An itemized repair estimate from an authorized cell phone repair facility
 - The damaged cell phone, for evaluation of its damage
 - An itemized store receipt for the replacement cell phone
- Documentation (if available) of any other claim settlement such as Your cell phone provider or manufacturer's insurance settlement (if applicable)
- Any other documentation deemed necessary in the Benefits Administrator's sole discretion, to substantiate Your claim. All claims must be fully substantiated as to the time, place, cause, and purchase price of the cell phone.

If the cell phone is damaged, do not discard it until the claim has been fully reviewed.

Reimbursement:

Depending on the nature and circumstances of Your claim, the Benefit Administrator may choose to repair or replace Your cell phone or reimburse You for the lesser of:

- a) Up to \$800.00 after the fifty-dollar (\$50.00) deductible has been applied to the replacement or repair cost; or
- b) The current cell phone service provider's suggested retail value of a similar model replacement cell phone, or the actual cost to replace it, whichever is lower (not including taxes, delivery and transportation charges or fees associated with the cell phone service provider), less Your fifty-dollar (\$50.00) deductible.
- c) If Your cell phone is repairable, You will receive an amount as determined by the diagnostic to repair the cell phone less Your fifty dollar (\$50.00) deductible.

Under normal circumstances, reimbursement will take place within ten (10) business days of receipt and approval of Your claim form and all necessary documents.

TRIP DELAY REIMBURSEMENT

Having a Covered Trip delayed can mean more than just lost time; it can also create an additional cost that You weren't expecting to pay. Trip Delay Reimbursement covers up to a maximum of three hundred (\$300.00) dollars for each purchased ticket, for reasonable additional expenses incurred when a Covered Trip You purchased with Your eligible Account and/or rewards program associated with Your covered Account is delayed for more than **twelve (12)** hours. The benefit is limited to one claim per Covered Trip. To be eligible for this coverage, You need to purchase either a portion or the entire cost of Your Common Carrier fare using Your Account.

You, Your spouse and Your dependent children under twenty-two (22) years of age are automatically covered when You charge Your Covered Trip's Common Carrier fare to Your eligible Account and/or rewards program associated with Your covered Account.

This benefit is supplemental coverage, which means that reasonable expenses during the delay not otherwise covered by Your Common Carrier, another party or Your primary personal insurance policy, may be reimbursed up to a maximum of three hundred dollars (\$300.00) per ticket. You will be refunded the excess amount once all other reimbursement has been exhausted up the limit of liability.

What is covered?

Your reasonable additional expenses, such as meals and lodging, may be reimbursed as long as:

- A portion of the fare was purchased with an eligible Account and/or rewards program associated with Your covered Account
- Your Covered Trip was delayed for more than twelve (12) hours due to Covered Hazards
- Your Covered Trip is for a period of travel that does not exceed three hundred and sixty-five (365) days

What is not covered?

- Any delay due to a Covered Hazard which was made public or made known to You prior to Your departure.
- Any pre-paid expenses related to Your Covered Trip, such as tour or activity fees associated with Your Covered Trip.
