FOOTNOTES:

1. For Performance Select Checking, accounts eligible to be linked for the combined average monthly balance requirement include PNC consumer checking, savings, money market, certificate of deposit, retirement certificate of deposit and/or investment accounts. For Performance Checking, accounts eligible to be linked for the combined average monthly balance requirement include PNC consumer checking, savings, money market, certificate of deposit, retirement certificate of deposit. Any PNC Investment (PNCI) asset where PNCI is the broker-dealer of record is eligible to be included in the combined average monthly balance requirement; assets managed under a fiduciary relationship with PNC Wealth Management are not included. Some accounts may not be eligible to be included in the combined average monthly balance requirement based on titling structure, product type or other constraints. A maximum of 10 linked PNC accounts, including this account, may be included in the combined average monthly balance relationship. See our Account Agreement for Personal Checking, Savings and Money Market Accounts, “Interest Payment and Balance Computation” section for details. We will determine the combined average monthly balance using the most current statement period balance or linked deposit accounts as of the day before this account cycles. If applicable, we will use the outstanding balance on linked lines of credit, and the original principal amount on linked installment and mortgage loans to determine the combined average monthly balance.

2. See our Account Agreement for Personal Checking, Savings and Money Market Accounts, “Interest Payment and Balance Computation” section for details. For current interest rate and Annual Percentage Yield information, call 1-888-PNC-BANK (1-888-762-2265).

3. A qualifying direct deposit is a recurring electronic deposit made by an employer or an outside agency. Transfers made from one account to another or deposits made via a branch, ATM, online transfer, mobile device or the mail are not eligible to meet this requirement.

4. The 62 age waiver will only be applied if the date of birth for the primary or secondary owner(s) on the account meets the age requirement. The date of birth for a fiduciary (i.e. Rep Payee, Trustee) is not eligible for the waiver. If no date of birth is on file, waiver eligibility is based on the date of account opening.

5. If the money market or savings account receiving the service charge waiver is closed, the monthly service charge for another linked Standard Savings or Premire Money Money Market account will be waived. If there are multiple linked Standard Savings or Premire Money Money Market accounts, PNC will select an account considering the following factors, in order of priority; a) accounts that are not already receiving a longer-term service charge waiver; b) the account with the highest monthly service charge amount, and c) the account most recently opened. You may change the account that receives the service charge waiver at any time.

6. PNC Bank charges may apply for use of another financial institution’s or ATM operator’s ATMs. Additionally, other financial institutions and/or ATM operators may charge for using their ATMs.

7. In the event PNC determines that there has been fraudulent or excessive ATM usage on the account, PNC is not obligated to reimburse any related surcharge fees, and any related reimbursements must be repaid. Surcharge fees not identified within the transaction by the originating financial institution may not be reimbursed. Any fee reimbursements occur at the end of the statement period.

8. Some accounts may not be eligible to be linked as overdraft protection based on titling structure, product type or other constraints. Transfers from a PNC checking, savings or money market are in the exact amount of the overdraft. Transfers from a line of credit or credit card are a minimum of $50.00, rounded upward to the next whole dollar. Transfers from a credit card are subject to the cash advance limits and may be charged a cash advance fee on the credit card. Overdraft Protection via a line of credit or credit card is subject to applicable Account Agreements and/or Disclosure Statements.

9. A federal regulation prohibits you from making more than a total of 6 transfers each month to other accounts from a savings or money market account (including transfers to another account for overdraft protection) or to third parties each month by check, through point-of-sale purchase transactions with a banking card, by pre-authorized or automatic agreements, telephone, or online. See your account agreement for more information. Other limits may apply to your account. Excessive transactions may result in changing your Savings or Money Market account to a Standard Checking account and will be subject to the features and fees as described in the Consumer Schedule of Service Charges and Fees in effect at that time.

10. There may be fees for certain optional services available through PNC Online Banking and Bill Pay.
