Balance Transfer Terms Instructions and Information

If the business identified in this application (the "Company") is approved for a credit card account, PNC Bank, National Association ("PNC Bank", "PNC", "Bank", "we", "our" or "us") may permit the transfer of balances and obligations that Company owes other companies or financial institutions ("Balance Transfers") to its credit card account subject to these terms and conditions, the credit card agreement and the terms and conditions of any special Balance Transfer offers we make to the Company. The available credit limit will be reduced by the total amount of the Balance Transfer. Any Balance Transfer must be at least \$200; however, we may choose to process a Balance Transfer for less at our discretion. Balance Transfers will post to the Company credit card account and be separately reflected on its monthly account statements as a Balance Transfer. Company may not request Balance Transfers of existing obligations owed to us or our affiliates. Transferred balances must be from a business account. Balance Transfer requests to individuals for cash will not be processed. If Company requests a Balance Transfer that would cause its credit card account to exceed its credit limit, we may, at our option, (a) accept the entire amount of the requested Balance Transfer and assess an overlimit fee; (b) accept only a portion of the amount requested as a Balance Transfer up to the amount available under the credit limit; or (c) refuse to process any amount of the amount of the requested Balance Transfer. Recently disputed charges with other creditors should not be included in a Balance Transfer request. By transferring an amount in dispute, certain dispute rights the Company may have may be forfeited. Allow approximately three weeks from account opening for processing of Balance Transfers. Balance Transfers will not automatically close the account from which the Balance Transfer was made. Company must contact the other creditor to close that account. Cost information about Balance Transfers is provided for in the disclosure in the Offer Details section. Balance Transfers do not earn rewards. There is no grace period for Balance Transfers.

CERTIFICATION REGARDING BENEFICIAL OWNERS OF LEGAL ENTITY CUSTOMERS

I. GENERAL INSTRUCTIONS

What is the purpose of this form?

To help the government fight financial crime, federal regulation requires financial institutions to obtain, verify and record information about the beneficial owners of legal entity customers. Legal entities can be abused to disguise involvement in terrorist financing, money laundering, tax evasion, corruption, fraud, and other financial crimes. Requiring the disclosure of key individuals who ultimately own or control a legal entity (i.e., the beneficial owners) helps law enforcement investigate and prosecute these crimes.

Who has to complete this form?

This form must be completed by the person opening or updating an account on behalf of a legal entity. For the purposes of this form, a legal entity includes a corporation, limited liability company, or other entity that is created by a filing of a public document with a Secretary of State or similar office, a general partnership, and any similar business entity formed in the United States or a foreign country. Legal entity does not include sole proprietorships, unincorporated associations, or individuals opening or updating accounts on their own behalf.

What information do I have to provide?

This form requires you to provide the name, address, date of birth and Social Security number (or passport number or other similar information, in the case of Non-U.S. Persons) for the following individuals (i.e., the beneficial owners):

- (i) Each individual, if any, who owns, directly or indirectly, 25 percent or more of the equity interests of the legal entity customer (e.g., each individual that owns 25 percent or more of the shares of a corporation); **and**
- (ii) An individual with significant responsibility for managing the legal entity customer (e.g., a Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, General Partner, President, Vice President, or Treasurer).

The number of individuals that satisfy this definition of “beneficial owner” may vary. Under section (i), depending on the factual circumstances, up to four individuals (but as few as zero) may need to be identified. Regardless of the number of individuals identified under section (i), you must provide the identifying information of one individual under section (ii). It is possible that in some circumstances the same individual might be identified under both sections (e.g., the President of Acme, Inc. who also holds a 30% equity interest). Thus, a completed form will contain the identifying information of at least one individual (under section (ii)), and up to five individuals (i.e., one individual under section (ii) and four 25 percent equity holders under section (i)).

You may also be asked to provide a copy of a driver’s license or other identifying document for each beneficial owner and controlling party listed on this form.

Note regarding updating information: From time to time the information provided in this form may need to be updated due to changes in the ownership or controlling party of the legal entity customer or its beneficial owners. Further, from time to time PNC may be required to verify the continued accuracy of the information provided.

II. CERTIFICATION OF BENEFICIAL OWNER(S)

Persons opening or updating an account on behalf of a legal entity must provide the following information:

- a. Name, Type, Address and Taxpayer Identification Number (TIN) of Legal Entity for Which the Account is Being Opened or Updated (i.e., the customer):

Entity Name: _____

Entity Type (e.g. Corporation, Partnership, etc.): _____

Entity Address: _____

Entity TIN: _____

b. Name and Title of Person Opening or Updating Account:

Title: _____

c. **Beneficial Owner(s):** The following information for each individual, if any, who, directly or indirectly, through any contract, arrangement, understanding, relationship or otherwise, owns 25 percent or more of the equity interests of the legal entity listed above.

If no individual meets this definition, please check "Beneficial Owner Not Applicable" below and continue to section (d).
