

Inspiring a love of learning. Nurturing brilliant futures.

Since 2004, **PNC Grow Up Great®** has helped prepare children from birth through age 5 for success in school and in life. We're supporting programs, resources and experiences that plant the seeds for a lifetime of opportunities.

\$500M+

Multiyear bilingual early childhood education initiative

\$290M

Grants to nonprofits to advance high-quality early childhood education

11.5M+

Children supported through grants and educational programs

Teaming up strategically

Because we're bankers, not educators, we've collaborated from the start with education experts, at the local and national levels, to develop resources and programs that encourage children to discover, learn and grow.

Sesame Workshop

Our free bilingual resources aim to help parents, caregivers and educators enhance learning opportunities for young children to grow smarter, stronger and kinder.

National Institute for Early Education Research

Our financial support helps improve the learning and development of young children by producing academic research that informs policy and practice.

TMW Center for Early Learning + Public Health

Our support helps caregivers understand the role they play in foundational brain development and provides the tools to strengthen caregiver and child engagement.

Fred Rogers Productions

Our Be My Neighbor Day collaboration with local public television stations celebrates kindness and what it means to be a caring neighbor.

DonorsChoose

The PNC Foundation has awarded \$20 million since 2017 to help Head Start and public school teachers provide high-quality resources and learning experiences for their students.

Engaging All of PNC

More than a corporate initiative, PNC Grow Up Great is a holistic commitment. We encourage all employees to play a part, and we provide them with the time and resources to do just that.

All figures accurate as of January 2026.

1.3M+

PNC employee volunteer
hours to date

Employees receive up to

40 hours

of paid volunteer time each year

1.5M+

School supplies, warm
clothing and other items
donated

\$12M

Earned by volunteers in
Grants for Great Hours
for partner organizations

Keeping bright futures in play

We're always working to support our youngest learners in new ways. That's why we take time to understand the needs of our communities so that every child has the opportunity to succeed.

Outdoor play and learning can take many forms, from a game of tag to a walk around the block to observe bugs and birds. Each offers powerful opportunities to spark children's natural curiosity and support early development in language, science and math. In recent years, PNC Grow Up Great has championed outdoor learning through volunteer activities, support for DonorsChoose classroom projects focused on outdoor play, and a **\$5.2 million grant pool** that helped create or enhance more than 60 nature-based play and learning areas at early childhood education centers across 50 PNC communities.
