Account Opening and Usage

Minimum Deposit to Open **$25.00**

The minimum deposit to open is $0 if the account is opened online.

Monthly Service Charge **$12.00**

No Monthly Service Charge if you meet any one of the following:

Balance Earns Interest[2] ..... **Yes**

For current interest rate and Annual Percentage Yield information, call 1-888-PNC-BANK (1-888-762-2265).

We will only link accounts at your direction. If you have not directed PNC to link another account to your Premiere Money Market Account, the accounts will not be linked and you will not receive applicable waivers of monthly service charges or other relationship benefits on your unlinked PNC accounts. The requirement that you direct us to link accounts in order for you to receive benefits applies to all of your PNC accounts. When an existing account is closed and a new account is opened, we will not automatically link the new account, even if the existing account was linked. You must direct us to link the new account to receive benefits.

You may link accounts with at least one common account owner for purposes of receiving pricing benefits (for example, waiver of a monthly service charge if balance requirements are met). When you link accounts with other accounts, any account owner on any linked accounts may have access to limited information about any of the linked accounts. This is true even if that account owner is not a signer on the linked account. Also, any signer added later to one of the linked accounts will be able to see the limited information. The limited information that may be available includes, the existence of the account and information to determine if the criteria for the fee waiver and/or relationship benefits have been met, such as: the balance of the account and the number and total dollar amount of direct deposits received per month.
