Fees			
Annual Fee	None		
Transaction Fees Balance Transfer	Either \$5 or 3% of the amount of the balance transfer, whichever is greater		
- Cash Advance	Either \$10 or 4% of the amount of each cash advance, whichever is greater		
• Foreign Transaction	3% of the amount in U.S. dollars of each foreign transaction		
Penalty Fees Late Payment	Up to \$35		
Returned Payment	Up to \$35		

How We Will Calculate Your Balance for Purchases: We use a method called "average daily balance (including new purchases)."

Loss of Introductory APR: We may end your introductory APR and apply the Penalty APR if you make a late payment.

How We Calculate Variable APRs: We calculate each variable APR by adding a margin (interest percentage) to the value of an index. The index we use is the "Prime Rate" of interest appearing in the "Money Rates" section of *The Wall Street Journal* published on the 20th day of the month preceding the first day of each billing cycle or, if *The Wall Street Journal* is not published on such date, the next day on which such Prime Rate is published. A change in the index will result in a change to your variable APRs. For example, if your margin for purchases, which is based on your creditworthiness, is 10% and the value of the index (the Prime Rate) is 3.25%, your APR for purchases would be 13.25%. If the value of the index later increases from 3.25% to 3.5%, your APR for purchases would increase to 13.50%.

Allocation of Payments: Allocation of your payments will be at our discretion, and generally that means that we will apply your payments to balances with lower APRs before balances with higher APRs. However, any payment you make in excess of the minimum payment due (minimum revolving payment for Visa Signature) will be allocated to balances with higher APRs before balances with lower APRs.

See NEXT PAGE for important information about these credit card accounts.

CHANGES TO YOUR CREDIT CARD ACCOUNT: The terms of your credit card account, including APRs and fees, are subject to change at any time and for any reason permitted by applicable law and the credit card agreement that will be sent with your credit card. We will notify you of any change if required by applicable law. Changes to your APR may include changing your APR from fixed to variable, from variable to fixed, or to a higher APR.

The information about the costs of the credit card described in this application is accurate as of 03/2014. The information may have changed after that date. To find out what may have changed, call 1-800-558-8472 or write us at P.O. Box 3429, Pittsburgh, PA 15230-3429.

Complete terms and conditions for the reward program for your credit card account will be sent with your credit card.

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

You also agree that we may verify, with other creditors, credit reporting agencies, employers, and other third parties, including through records maintained by federal and state agencies (including any state motor vehicle department), your employment, income, address and all other information that you have provided. You waive any rights of confidentiality under applicable law that you may have in that information.

Overdraft Protection privileges may be suspended if your account is in "Default" as that term is defined in your credit card agreement. A fee of either \$10 or 4% of the ODP Advance amount, whichever is greater, will be charged to your credit card account for each ODP Advance. In addition to any cash advance fee and interest charges that are assessed to your credit card account for an ODP Advance, separate fees may be assessed to your designated checking account for accessing the Overdraft Protection. Please see the fee schedule for your checking account for specific fee information. When you enroll in Overdraft Protection, it may take up to 17 (seventeen) days for the Overdraft Protection to be activated.

Also, the claim will proceed as an individual action, and neither you nor we will have the right to participate in a class action in court. You have the right to opt out of the arbitration process by providing timely notice to us. **Please refer to the Arbitration Provision located in section 9 of your credit card agreement for complete details.**
